

Character Songs

There are **10 musical tracks** each with accompanying transition / scene change music.

Track 1: Panicked Preparations is an instrumental piece to accompany a mimed opening sequence.

Track 3: Whoosh To Wonderland is a musical underscore to accompany the narrated scene.

The other 8 songs provide opportunities to allocate solo and group singing parts as suggested below. Full details are highlighted in the **Song Lyrics**. Alternatively, all songs can be sung as ensemble performances if preferred.
